## ACTIVITY WORKSHEET 10.2

# Defining Important Words Related to Skid Steers, Telehandlers and Forklift Safety

**Directions:** In activity 10.1 you were asked to find key words from Lesson 10 in a word search. Each of those words are listed below. Following each word, provide some more information on how the word was utilized in Lesson 10, and how it relates to operator safety. *Hint - you may want to visit the Gearing Up Glossary.*

Forklift \_\_\_\_\_

Skidsteer \_\_\_\_\_

Visibility \_\_\_\_\_

Slopes \_\_\_\_\_
